EDUCATION WORKSHOPS

- Our workshops are perfect for teachers and students to experience a fun, hands-on and engaging session hosted by our trained educational staff.
- 1 (One) Education Workshop per group (Not available on Saturday, Sunday, Malaysia School & Public Holiday)

THEME PARK

WORKSHOP	AGE	DESCRIPTION
Brick Adventure Capacity : Min 20 pax	7 & Above	Join the Brick Adventure! Navigate exciting challenges, solve puzzles, and discover hidden treasures-all while honing your skills in English. Dive into a world where every clue and every build leads to a new adventure, the LEGOLAND® way
Dr. Heartbeat Capacity : 18 pax	8 & Above	Play the role of a 'doctor', completing surgery-themed tasks on a robot test table that mirrors the human body, with veins guiding the robot's moves and an EV3 robot acting as the heart.
Cosmobot Capacity : 18 pax	8 & Above	Explore Planet Mars, play as a space engineer to complete the first manned mission on Planet Mars. Navigate the EV3 robot to construct a human base on Mars, facilitating human study of the planet.
Energy Lab Capacity : 30 pax	7 & Above	Discover energy types, emphasizing the importance of renewables like solar wind, and water. Hands-on experiments will explore the production, storage and transfer of both mechanical and solar energy.
Amazing Machine Capacity : 30 pax	7 & Above	Discover the world of simple machines like gears, levers, and pulleys. Learn their uses and functions, differentiate between pulleys and gears, and build models incorporating levers, gears, or pulleys to experience firsthand how these simple machines work.
Funtastic Gear Capacity : 30 pax	5 & Above	Discover the power of gears, learning how they drive circular movement and control speed. Build a model showcasing gear dynamics and relate your insights to park attractions like the Dragon Coaster, Miniland, and the Technic Twister.

SEA LIFE

WORKSHOP	AGE	DESCRIPTION
Ocean Super Dad Capacity : 30 pax	4 - 6	Explore Ocean Super Dad, Seahorses, and their incredible variety at SEA LIFE MALAYSIA. Discover your role as a biological environment benchmarker and unravel the mysteries of seahorse feeding habits with fun interactive games.
Little Marine Biologist Capacity : 30 pax	4 - 6	Discover the fascinating work of marine biologists. Dive into hands-on exploration by using microscope to observe microscopic animals from diverse water samples.
Let's Build A Food Chain Capacity : 30 pax	7 - 9	Build your own food chain with producers, primary, secondary tertiary, and quaternary consumers. Learn why each part is important and how they all work together in a food chain.
Life Cycle Of Animal Capacity : 30 pax	7 - 9	Focusing on the fascinating life cycle of a firefly: Step into the dark night, embody the life of a firefly, observe and compare their unique light patterns.
Why Recycling Matters To Marine Animals Capacity : 30 pax	10 - 12	Discover the significance of recycling for marine animals and their environment. Don't miss the special appearance of Sharkie the Shark during enlightening activity.
How Animal Adapt Capacity : 30 pax	10 - 12	Dive into the exploration of how animals adapt to survive! Join us for a hands-on experiment where you'll discover how animals adapt in extreme weather, making learning both engaging and enjoyable.
